## P.E. EXAM REVIEW COURSE

### ARE YOU OR A CO-WORKER INTERESTED?

The Eastern Iowa ASCE-YMG & the Herbert Hoover Chapter of the Iowa Engineering Society is going to host a P.E. Review Course in the Cedar Rapids next month. We will be going through the NCEES Civil PE Sample Questions & Solutions book. General information is below:

- Dates: Starting the week of February 22, 2010  
Time: An evening each week for 6 weeks, roughly 5:30 to 9 PM  
Location: Snyder & Associates Cedar Rapids office  
Included: Copy of the 2008 NCEES Civil PE Sample Questions & Solutions Book  
Local Professional Engineers to go through the questions and solutions with you  
Meal provided during each meeting  
Cost: \$150 per person for ASCE and IES Members, \$200 for non members

#### Benefits of a PE Review Course:

- Review of 5 newly structured exam topics
  - Construction, Transportation, Geotechnical Engineering, Water Resources and Environmental Engineering, and Structural
- Solve sample problems in exam format
- A local expert will be present to answer questions / provide further detail
- Study with other Civil Engineers who are also taking the exam
- Automatic time set aside to study for the exam

#### Valuable Websites for PE Application Requirements, Deadlines, and General Information:
