

HERBERT HOOVER CHAPTER

IOWA ENGINEERING SOCIETY

BOARD MEETING SUMMARY – JULY 7, 2009

Those in attendance:

Shawn Leuth	Chapter President
Jayne Decoste	Chapter Vice President
Micheal Muehlenbruch	Chapter Treasurer
Lisa Burch	Chapter Secretary
Joe Digman	Chapter Director, 1 st Year

The August IES Meeting will be held at Ament, Inc's office in Cedar Rapids. The topic/presentation will be included in the newsletter, along with emails and phone calls. Paper copies of the flier for the meeting will be mailed to companies that are not IES members.

Spring/Summer Golf Outing – Status? – Per followup with the Committee chair, Brian Gisi, the Spring/Summer outing is now likely combined with an ASCE outing – however, no date has been set.

Items discussed to add/include in the newsletter (newsletter to be sent out by Aug 1 at the latest):

- Brief summary of meeting minutes
- Info on the next month's meeting – location, topic...
- Openings in IES positions
- Announcements – new licenses, new hires...
- Committees and committee member lists
- Engineering related legislation

Treasurer will switch to new bank this month– more information will follow

Brain needs contacted regarding hosting a meeting next June – Shawn will contact them

Discussed the meeting recommendations for the new meeting format (at Host company offices):

- The time 11:30 – 1 seems optimal – allows 11:30 -12 for IES Business, and then 12-1 for a presentation
- Food is optional – just make sure to specify in event flier
- PDH would be beneficial, or a lunch-n-learn or site visit
- Each host company will manage the RSVPs
- Each host company will create a flier & IES will email out – the flier needs to be received in time to send out at least 2 weeks before the event

Announce the new IES Board in the Gazette – Lisa will coordinate

Include Article on new IES Welcome Wagon in newsletter – Lisa will contact Marlin

Include Message from President in newsletter – Shawn will write

Bring back the IES internal awards for this year

Discussed combining the December IES Social with ASCE Toys for Tots Event

Discussed ideas for promoting engineering in the community and a stronger presence of IES in the local business community – main idea – set up meet/greets with local Cities and elected representatives, and have local elected representatives come and talk at IES Meetings

Inform National IES of the new IES Herbert Hoover Chapter Board – Lisa will contact them

Laurie Bergen w/Anderson-Bogert maintains the current IES contact lists – she sends out the IES emails, newsletter – send information to her for distribution

Who sends the newsletter and other information to National IES for inclusion on the website? Check with Laurie and Jayne for contact person – Lisa will contact them

Discussed ensuring that the new member and non-renew lists are checked frequently – Jayne will coordinate

** Reminder – Please have information for the next newsletter to Lisa by July 21**
